Dear Mrs Manley:

I have thought over the things you spoke to me about over the Phone. Right now there is very little you can say to the people in charge of Ebbitts Field, because our league did not contract with them to play any specified number of games there.

You can tell them that the new outlaw league do not have any dates at Briggs Stadium in Detroit and the only dates they have at Forbes Field are the dates that could not be used by Homestead Grays.

Let them know that we have been in baseball many years as an organized group, in other words an organization, and have always had pleasant relationship with white organized ball. If Brooklyn wishes to help Negro outlaw Baseball then they are not fair. If it looks like you can not get McDuffie back wire Tom to suspend him indefinitely for leaving Newark Eagles without Permission of Newark Eagles owners and send a release of this action to all the papers.

This is the best advise I can give , In lien of having a commissioner.

Yours truly

C. W. Posey
